YEAR 2 CLASS

Event Overview and Consent Form for Academic Year 2026-2027

Dear Parent/Carer

We are very pleased to be able to share with you the trip and enrichment opportunities that we are offering your child this year and in response to feedback from the community, we have provided an overview for you to see the whole year ahead.

An individual letter will be posted on Class DoJo detailing each event nearer the time. To reduce the amount of paperwork we have produced a generic Event Consent Form for all trips and enrichments for the whole academic year. ***Please complete and return the attached Event Consent Form by Friday 11th September 2026.***

The online payment system, Arbor, will be set 'live' for each event enabling you to pay up front if you wish, or spread your payments across the year as and when required. There will be a payment deadline date set for each individual event.

It is essential that you keep the school office aware of any change in medical or dietary condition as information recorded on our system will be used for each activity.

As Early Years/KS1 children are entitled to a universal free school meal, if you would like us to arrange a packed lunch for a school trip please contact the office two weeks prior to the trip.
