Dear Parent/Carer

YEAR 3 CLASS TRIP – CAMBRIDGE SCIENCE CENTRE
TUESDAY 20th OCTOBER 2026

The purpose of the visit is to learn more about the human body and how it functions. Children will have the opportunity to learn more about senses and the digestive system.

The school is asking for a voluntary contribution of £25.00 per child and this has been set up in Arbor for payment by **Monday 5th October 2026** please. *If your child is entitled to Pupil Premium Grant you will not be charged and Arbor will show a nil balance*.

They will need a packed lunch and a bag in which to carry it, please. The children are to wear school uniform. Please do ensure that they have a coat or jacket with them.

Please note due to the detailed timetable of this trip, the coach will return to school for approximately 3.55pm.

If you are experiencing any difficulties in paying for this trip, please email or call into the office.

As you are aware, consent has been given for all trips at the start of term, but can I please remind you to ensure that the contact details we keep for you are current.

Yours sincerely

Mrs Gill
